A Decision Limiting the Cost of Public Buildings.

Washington, Sept. 8—At its last session Congress voted an increase in the appropriations for the erection of public buildings as follows: Syracuse, N. Y., from \$300,000 to \$450,000; Intemacplis, Minn., from \$175,000 to \$90,000. In the matter W. D. Washburn singested that plans should be drawn for a structure costing \$500,000. Supervising Architect Bell, however, thought it best to have an authoritave decision of the question, and according laid the matter before the Acting Secretary, Mr. to Soliditor Henry S. Neal, who decided that the effect of a faw appropriating an additional sam for a public building was simply to ex-

tend the original appropriation to that amount, and did not leave the supervising architect any orition in 'the matter. He could not legally put into execution any plans the amount actually appropriated at the time of beginning work. The question was then referred to the Attorney-General for further consideration, and to-day the Hon. Samuel Shelakarger and Representative Washburn Fmilips and submitted oral arguments taking issue with Solicitor Neal in regard to the grounds upon which his opinion was based.

REPUBLICAN MASS MEETING.

Harmonious Throughout-Instructions for Hon. W. H. Wadsworth.

for Hon. W. H. Vadeworth.

The Republicans of this county assembled in mass meeting last Saturday to select delegates to represent the county in the District Convention, which meets in this city next Tuesday, to nominate a candidate for Congress. The court house was comfortably filled, but the assemblage was not entirely Republican. A goodly number of the "unterrified," staunch and true" Democrats were spectators. As there was no contest whatever, the proceedings were harmonious from beginning to end. The "ayes" had it every time.

The meeting was called to order at two o'clock p. m., by Mr. W. C. Shackle-ford, Chairman of the County Committee.

On motion, R. A. Cochran, Sr., was elected permanent Chairman and W. B. Phister, permanent Secretary.

The committee reported the following delegates:

Ten days ago the son returned home to inform his mother that his father was still living and would join the family as soon as he could arrange his Texas business.
